

# HOSPITALIZATION AND SURGERY AUTHORIZATION FORM

Client's Name \_\_\_\_\_ Contact Phone Number \_\_\_\_\_

Pet's Name \_\_\_\_\_ Species \_\_\_\_\_ Breed \_\_\_\_\_

Sex \_\_\_\_\_ Neutered/Spayed Y or N Pet's Age \_\_\_\_\_ Weight of Pet \_\_\_\_\_

I, the owner or authorized agent of the above-named owner for the animal described above, authorize the hospitalization of said animal for diagnosis, treatment, and/or surgery. I also approve the use of whatever anesthetics the attending veterinarian deems appropriate. I understand that all reasonable precautions will be taken to assure the well being of the above-named animal during its stay at The Animal Hospital of West Lake Forest. I absolve The Animal Hospital of West Lake Forest and its owners and agents of all liability arising from the care of the above named pet.

Authorized  
Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Has your pet eaten or received medication(s) since 10 pm last night? YES NO  
If yes, please list \_\_\_\_\_ What time? \_\_\_\_\_ How much? \_\_\_\_\_

Are you interested in having your pet microchipped today? Cost \$67.00 includes registration with Home Again.  
YES NO

.....

If your pet is to be anesthetized, be assured that advances in anesthesia and surgery have made routine procedures relatively safe, with a low rate of complications. We recommend a blood profile to reduce risks and check your pet's health. The latest technology enables us to run accurate blood chemistries just prior to anesthetic induction. These tests are similar to those your physician would run if you were undergoing anesthesia. Test results will also serve as future reference values should your pet become ill.
